

EASY CARAMEL APPLES

Serves 4

- 4 medium apples *
- 4 ounces Das Caramelini Caramels *
- 3 Tablespoons heavy cream
- 4 ice cream sticks or cinnamon sticks
- Optional Toppings: Oreo cookies, walnuts or peanuts, chocolate morsels

Wash apples and insert cinnamon sticks/ice cream sticks in each apple. Place apples on baking tray or a large plate lined with parchment paper.

Melt caramel and cream in a microwave-safe wide mouth bowl on high for 2-3 minutes in 30 second increments until caramel is melted completely and cream is well mixed in. The mixture should be hot, but not bubbling.

Dip each apple in the bowl with caramel and set on parchment paper to dry.

Optional: While caramel is still hot, dip each apple in topping of your choice.
